QUICKTRIEVE®/QUICKMANAGER®  
VERSION 4.0 MAILING

CSI will be closed for voice contact on Wednesday, The Fourth of July.

We are sending out this new release at a faster rate now that some early problems have been corrected. Some recipients have been sent a second set of floppy disks to correct a compiler error and all have been set a packet of page changes to the manual.

Lowest Prices ever for a Custome Data Base Page 1

Based on our processing rate, all those who requested the newer version should receive their package near the middle of June.
